

of such costs by an agent who has received our approval.

(2) These documents may include, but need not be limited to, copies of invoices, change orders, subcontracts, and where we require, statements from independent certified or independent licensed public accountants that the costs for which you seek payment or reimbursement were actually paid or are payable for the construction of a Vessel or Shipyard Project.

(3) You must summarize, index and arrange these documents according to cost categories by following the directions contained in our forms.

(e) *Escalation as part of Actual Cost.* Escalation clauses in construction contracts shall be subject to our approval. After a review of the base contract price and the escalation clauses, we shall, in order to estimate the Actual Cost amount to be stated in the Letter Commitment, add to the approved base contract price the amount of estimated escalation as approved by us. We must subsequently approve the amount of escalation cost you claimed as a component of Actual Cost.

(f) *Monies received in respect of construction.* (1) If you or any Person acting on your behalf, from time to time receives moneys due for construction of a Vessel or Shipyard Project (described in the Security Agreement) from the shipbuilder, guarantors, sureties or other Persons, you shall give us written notice of such fact.

(2) As long as we have not paid the Guarantees, you or other recipient shall promptly deposit these moneys with us to be held by the Depository in accordance with the Depository Agreement.

(3) We will determine the extent to which Actual Cost is to be reduced by these moneys.

(4) In no event shall Actual Cost be reduced with respect to payments by the shipyard to a Vessel or Shipyard Project owner of liquidated damages for late delivery of the Vessel or Shipyard Project.

(5) If we have paid the Guarantees, you or other recipient must promptly pay these moneys, including any liquidated damages, to us for deposit into the Maritime Guaranteed Loans account.

(g) *Depreciated Actual Cost.* After a Vessel or Shipyard Project has been delivered or redelivered (in the case of reconstruction or reconditioning), the limitation on the amount of Guarantees will be 75 or 87½ percent, whichever is applicable, of the Depreciated Actual Cost of the Vessel or Shipyard Project.

§ 298.22 Amortization of Obligations.

(a) Generally, after delivery or completion of Shipyard Project, and until maturity of the Obligations, provisions of the Trust Indenture or other part of the Documentation require you to make periodic payment of principal and interest on the Obligations.

(b) Usually, the payment of principal (amortization) shall be made semi-annually, but in no event, less frequently than on an annual basis, and in either case the amortization shall be in equal payments of principal (level principal), unless we consent to the periodic payment of a constant aggregate amount, comprised of both interest and principal components which are variable in amount (level payment). No other proposed method of amortization will be allowed which would reduce the amount of periodic amortization below that determined under the level principal or level payment basis at any time prior to maturity of the Obligations, except where:

(1) You can demonstrate to our satisfaction that there will be adequate funds to discharge the Obligations at maturity;

(2) You establish a fund with the Depository in which you deposit an equal annual amount necessary to redeem the outstanding Obligations at maturity; or

(3) With regard to Eligible Export Vessels, in accordance with such other terms as we determine to be more favorable and to be compatible with export credit terms offered by foreign governments for the sale of vessels built in foreign shipyards.
